

STAY THE FUCK AT HOME

Lyrics Chris Franklin music: rekording (youtube channel)

F
The world has caught a virus

Bb
So I've written you a poem

C7
We need your help to cure it

F
So stay the fuck at home

F
And if you have got 12 kids

Bb
Or you are living on your own

C7
Lock it down and isolate

C **F**
And stay the fuck at home

Bb
If you think you are not at risk here

F
You are living in a dome

G
It spread faster than a hookers legs

C
So stay the fuck at home

F
I need the gym I need the beach

Bb **C7**
I hear you bitch and moan you need to grow a

F
brain cell and stay the fuck at home

Bb **F**
But I feel fine I don't feel sick

C7 **F** **Bb** **F**
I ll go out on my own, I'll think of you You selfish prick

G7 **C7**
Please just stay the fuck at home

F
From LA through to Berlin

Bb
From wuhan through to Rome

C
There s people dying every day

F
so stay the fuck at home

F
If you need to contact family

Bb
use Facebook skype Iphone

C7
We've got the fucking internet

C **F**
so stay the fuck at home

Bb
The only way to slow it down

F
is isolate not roam

C7 **F**
please help the world Get back on track and stay the fuck at home

Bb
Stay the fuck at home

F
Stay the fuck at home

C
Don't you be a fucking dick

C **F**
please stay the fuck at home
